MEDIA KIT

Dear Friends,

Thank you for your interest in sponsoring Vision Maker Media. This Sponsorship Media Kit will answer your questions. Included is our website, e-newsletter and Public Television sponsorship opportunities.

Our audience includes Public Broadcasting Service (PBS) viewers served by 354 PBS-member stations throughout the United States. PBS viewer demographics are well-received, as the majority of Public Television viewers are educated and have more buying power behind their commitment to quality and excellence. Viewers believe that underwriters are usually leaders in their industry. We provide a highly targeted audience with which to share your organization's message.

If you have questions, please feel free to call me.

Regards,

Dawn Amory

Your Sponsorship Supports Education

Vision Maker Media is a nonprofit 501(c)(3) organization. Being a nonprofit organization doesn't mean that we don't make money. It means the money we make goes back to support our educational mission of sharing Native stories with the world by advancing media that represents the experiences, values and cultures of American Indians and Alaska Natives.

We believe we can make a positive change in the world by bringing online media and educational videos to audiences in schools, communities and your home.

Online at www.visionmakermedia.org/educators, you'll find Educational and Viewer Discussion Guides to enhance the impact and learning experience of Vision Maker Media documentaries. We work with Public Television stations across the nation in developing content for PBS Learning Media available at www.pbslearningmedia.org.

PUBLIC TELEVISION DOCUMENTARY UNDERWRITING

Sponsor a Vision Maker Media Program for PBS National Broadcast

Each year, Vision Maker Media awards up to \$500,000 in production contracts to independent producers and Public Television stations to produce programming by and about Native Americans for use by PBS stations. This covers only a portion of the cost of production for PBS. Your sponsorship of one or more of our many upcoming programs will help fund these engaging Native stories so that they may be shared with communities nationwide. Your sponsorship will be linked to the documentary program broadcast and DVD for life. Sponsoring a documentary is a highly strategic way to reach your audience. Find a list of our documentary films: www.visionmakermedia.org/films
